Purchase of a typewriter for the office of the President, Tuticorin City Municipal Council

Letter No C 3 P 127/48-cg dated the 13th January 1949 from the President, City Municipal Council Tuticorin on the subject

The President states that in G.O. No L 4082-83/Ml 11-48-17 dated 20-10-48 sanction has been accorded to the purchase of only one typewriter, as against two for which sanction was sought as per resolutions of the Ml CL dated 19-2-48 and 30-6-48 the Commissioner wrote in this connection that actually two machines have been purchased and the bill of the Remington Company for the second typewriter is pending payment and that the form is forwarding for the same. In the circumstances, he requests sanction to grant to the purchaser, the second typewriter also for use in the Vice President's Room in continuation of the Ml-CL resolutions dt 30-6-48 Submitted for orders

OFFICE OF THE PRESIDENT
CITY MUNICIPAL COUNCIL MYSORE

Date 13th January, 49

From Sri T Venkataramaniah
President City Municipal Council
MYSORE

To Janab Mir Sabdar Hussain BA
The Secretary, to Government,
General Department,

Sir,

Subject - Purchase of a Typewriter to the President's Office

Adverting to the Government Order No L 4082-3/Ml 11-48-17 dated 20-10-1948, sanctioning the purchase of only one Typewriter for the Municipality, I have the honour to state that the Council passed a resolution on the 19th February 1948, for the purchase of a Typewriter for the Vice-President's Section and another resolution was passed on 30-6-1948 for the purchase of another Typewriter as the former Typewriter was taken for the use of the President's Office and a machine was required for the Office of the Vice-President Thus orders of the Governme were sought for the purchase of two Typewriters, but sanction has been accorded for the purchase of only one Typewriter as noted above

In this connection, I write to invite the favour of reference to this office letter No C3 P 127/47-48 dated 8-9-48 requesting sanction of Goverrment for having placed orders with the Remington Company for another Typewriter also and to state that the bill in respect of the second machine supplied in response to the above, is pending payment and the Firm is pressing for the same In these circumstances, I request you to kindly to obtain sanction of Government for another machine purchased for the use in the Vice-President's Office in pursuance of resolution dated 30th June 1948 for arranging the payment of the bill of the same to the Company

Yours faithfully,
T Venkata Ramaniah

SUBJECT Purchase of typewriters

Sir,

With reference to your letter No C3 P 127/48-49 dated the 13th January 1949 on the above subject, I am directed to state that sanction was accorded to the purchase of one new typewriter in G O No L 4082-3/Ml 11-48-17 dated 20-10-1948, though it was felt to be superfluous in view of there being nine typewriters in the Municipal Office as reported, only because orders for it had been placed in anticipation of sanction and the Municipality was committed to purchasing it,

2 It is seen that orders have been placed for the second new typewriter also for the Vice-President's Office in anticipation of sanction As there are now too many typewriters in the Municipal Office, quite a number of which cannot be fully employed now or in the near future and as the finances of the Municipality are far from satisfactory and can ill afford to be spent on such superfluous items of office equipment I am to state that Government do not consider it necessary to approve of this purchase and that proposals either for its return to the supplying firm or for transfer to some other office or institution which may be in need of it, may be made It was not quite proper for the previous President to have placed orders for this machine without obtaining the previous sanction of Government thereto, especially when such a heavy expenditure is involved and the Municipality is in financial difficulties

Yours faithfully,

Sir,

Subject - Purchase of a Typewriter to the Municipal Offices

With reference to your letter No L-10359 dated 11-48-57 dated 16-3-1949 on the above subject, I have the honour to invite your reference to this office letters No P 129/47-48 dated 6-7-48 and 8-9-1948 in reply to your letter No L 1629 dated 26-4-1948 calling for a specific resolution of the Council in regard to the purchase of a Typewriter in which the necessity for the purchase of the typewriter has been explained

Out of the nine machines in the municipality, two are very old The other machines are all required for work in several sections of the Municipality It may be stated that it is not merely correspondences that are being typed in the Municipal office but also the agenda of all Council and Committee meetings which has to be attended to practically everyday in the several sections The Vice-President is the Chairman of the Legal Committee, the Convenor of the Poor Feeding Committees and the Secretary of the Local Relief Committee for the Prevention of Beggary A machine is exclusively necessary for his work The work in the Municipality has enormously increased and even with the present equipment, it is found difficult to cope up with the ~~resolution~~ rush of work In these circumstances, it is not possible to return the machine to the firm or to hand it over to any other office It is possible to find the money to be paid for the machine from the closing balance for the current year

As the firm is pressing for payment of the bill, I request that orders of Government may be obtained to make payment

out of the closing balance of the current year's budget

Yours faithfully,

T. Venkata Raman
